

TAI CHI YOUTH

Thank you for applying for a Tai Chi Youth job or volunteer position.

As Tai Chi Youth advances from being a volunteer organization to a fully-staffed non-profit with a working board of directors—we appreciate all the help and assistance we can receive.

Even if your job position isn't currently available, it may be for nomination in less than two years—so keep in touch, help us out, and become a TCY Member by paying the \$10 annual TCY membership fee. This is easily accomplished on the bottom of the TCY homepage.

Founder Richard Del Connor “Buddha Zhen” has devoted 20 years since 1995 to Tai Chi Youth without ever receiving one single paycheck or being reimbursed for his expenses. It is up to you, as employees, volunteers, donors, and members of Tai Chi Youth to improve this situation. Please support Tai Chi Youth and reward Richard's dedication, work, and genius for creating what is possibly the best physical fitness program in the entire world. The TCY curriculums have been proven in over 50 years of programs taught to increase and improve the abilities of our students in not only body, but mind and spirituality also.
